THIRD ANNUAL CHAMPION TREE COMPETITION

(October 7, 2005) Do you have a champion in your midst? The Frisco Urban Forestry Board is sponsoring its annual Champion Tree Competition during October. The trees being judged in this year's competition are Red Oak and Willow (Black or Weeping).

If you think your tree has what it takes to be a "2005 Champion", pick up entry forms at the Frisco Parks and Recreation Department offices located at 6726 Walnut Street. The deadline is October 28.

Winners will receive an outdoor sign to be placed by their champion tree.

Presentation of the awards will be made at the 2005 Arborfest Celebration to be held Saturday, November 5, 2005 at Preston North Neighborhood Park located at 5400 Preston North Drive, just north of Lebanon Road. For additional information, contact the Frisco Parks and Recreation Department at 972-335-5517.
